ACOUSTICAL COLLECTION
ABOUT THE COLLECTION

Kwik-Wall Fabric Collection brings designer style with a soft touch to the world of High Performance products. In an inclusive portfolio ranging from sound softening to premium acoustical control, The Kwik-Wall Fabric Collection is thoughtfully designed to wrap spaces in quiet sophistication. Bleach cleanable, durable and created to perform in high traffic areas, the collections are stain and water resistant, incorporate recycled and eco-friendly properties and are dedicated to sustainability.

MADE IN THE USA.
